

OH&S SAFETY ALERT

LIFT INSTALLATION WORKS COMPLIANCE CHECKLIST

SAFETY ALERT - COMPLIANCE	YES	NO	DOCUMENTS CITED
Are the requirements of the following Safety Alerts being met?			
Alert # 1: Licensing Requirements			
Alert #2: Rescue Retrieval			
Alert # 3: Pit Access			
Alerts #4: Working on or near live electrical equipment			
Alert #5: Working on top of a lift car			
Alert #6: Suspended work platform certification			
Alert #7 - #8: False Cars			

This alert has been generated to ensure that all sites in Victoria are aware of the compliance requirements of all areas of lift installation and maintenance.

Contact your designated Health & Safety representative or your local organiser for assistance.

It is the recommendation of the ETU & AMWU that if the answer is NO to any of the above questions, work should cease.
